HIGHLIGHTS

LAUNCHED NEW PROGRAMS to deepen political education (Growing Together), wellness (healing circles), and specific support for Asian American small business owners

WORKED IN COALITIONS to improve language access for Medicaid and at the ballot box in Fairfax County, as well as to block efforts to limit early voting and roll back admissions reform at Governor's schools

LED THE ORGANIZING of a multiracial and multifaith effort to successfully block adoption of whitewashed history and social studies standards that ignored years of input from Virginian students, parents, educators, historians, and other experts

STRENGTHENED RELATIONSHIPS with faith institutions with predominantly Asian American membership
